

## Supplement to July newsletter

This is a supplement to the July 2008 edition of Kentucky OSHA Journal. It contains the remaining citations and fines issued in May 2008 that were not included in the original newsletter due to space limitations. During the month of May 2008, Kentucky OSH cited 40 businesses for violations and issued fines totalling \$196,500, which, on average, was \$4,913 per business.

### MAY CITATIONS AND FINES 'CONTINUED'

Below is a partial listing of the citations and fines issued by the Kentucky Occupational Safety and Health agency during the month of May 2008. Provided here are summaries of the citations and the total amount of the fines. A company has 15 working days from receipt of the citations and proposed penalties to either elect to comply with them, to request and participate in an informal conference with the KOSH area director, or to contest them before the independent Occupational Safety and Health Review Commission.
